Classes will be focusing on life skills and social skills for ages 14-22. This includes group games, conversational skills, choosing appropriate friends, understanding and using humor, good sportsmanship, handling rejection, handling disagreements, and group projects.

CLASSES WILL BE OFFERED AUGUST-MAY

Tuesdays, Wednesdays
& Thursdays (\$125/Day)

Life skills, social skills and executive functioning and critical thinking activities. Participants will learn basic office skills, food preparation skills, and basic cleaning skills.

*ESA and private pay accepted.
We will be expanding in January to offer a M-TH option.*

Participating teens and young adults must be able to follow directions and self regulate. This program is designated to specifically help develop and enhance skills with a goal to live and work independently.
